

## **Dhiverse's HIV Information & Support Group**

The aim of our groups is to provide a safe, welcoming and confidential space for people living with or affected by HIV where you can meet other people, get help and support to overcome difficulties you might be experiencing and have the opportunity to socialize.

We run a group for people **age 18 to 30** and a group for people **age 30+**

- HIV information & support
- Free HIV Insti testing
- Free chlamydia screening
- Sexual health information
- Peer support
- Free condoms and lube
- A friendly atmosphere
- Refreshments

The groups run one Saturday each month in central Cambridge.

For more information on dates, times and venue go to the **Notice Board** on the homepage of our website or contact Stuart:
