Lessons	Cost
We can deliver any lesson in our curriculum for you. Lessons are delivered by one of our RSE facilitators and include all resources. Lessons are around 1 hour with an additional 15 minutes required for set up. To ensure that students get the most out of the lesson we find that a max of 35 students works best. If you would like a bespoke lesson please get in touch. OFFER: 10% discount if you book 4 or more lessons on the same day.	
On site at your school or provision <i>Please note: To help keep costs low, we only provide on site lessons outside of Cambridgeshire if TWO or more workshops are booked to take place in one half day.</i>	£110 per lesson + mileage costs
Via Zoom or Microsoft Teams	£80 per workshop
Talks, Presentations or Q & A Sessions	Cost
We can provide talks, presentations or Q&A sessions for your students on any RSE subject/matter. We can also work with you to tailor something to meet the needs your students.	Prices for these are the same as above. <i>There may be an additional charge for a tailored event</i>
Drop-in sessions in your school or provision	Cost
Drop in sessions are a great way for young people, who don't feel confident talking in the open forum of a lesson or group, to get information and support by talking to an RSE professional on a one to one basis, in a confidential and relaxed environment. We can provide a one-off drop in session or regular weekly or monthly drop-ins. Drop-ins can be either during or after school hours. We require access to a confidential one to one room.	£110 per one-off one hour session. <i>Discounts are available for regular sessions. Please contact us</i>
Condoms	Cost
Regular condoms—288 per pack. Useful for condom demonstrations	£30 per pack + postage
